## **Core Values**

### **Accountability**

We take full responsibility for our work and ensure transparency and reliability in every project.

### **Craftsmanship**

We take pride in our meticulous attention to detail and upholding high quality in all construction projects.

### **Dedication**

We are committed to our clients' goals with passion, perseverance, and an unwavering determination to succeed.

### **Adaptability**

Embracing change, staying agile, and proactively adapting to evolving trends and client needs.

### **Operational Excellence**

We aim for continuous improvement in our processes to ensure efficient, cost-effective, and timely project delivery.

### **Nurturing Safety**

We prioritize safety by implementing rigorous safety protocols and promoting a secure working environment on every project site.

### **Respect**

We foster an environment of mutual respect, valuing the contributions of our team members, clients, and stakeholders, and promoting a collaborative and inclusive work culture.

## ***Our Team***

Our team comprises highly experienced and qualified professionals with exceptional administrative and technical competencies. They work closely with our clients to deliver superior services, and their excellence in management, industry respectability, and the final projects they deliver all attest to the quality of their work.

They take great pride in consistently delivering unparalleled customer service, expertise, and professionalism to all clients. This dedication is backed by a forward-thinking management style that promotes a quality culture throughout **ADOR CAN** Company.

Our team seamlessly integrates technical expertise with a profound understanding of our client's needs and the operational environment. We are unwavering in our commitment to cultivating and sustaining robust client partnerships that exceed expectations and add significant value. Our unwavering aim is to deliver the highest possible quality and service in the construction industry, ensuring our clients' utmost satisfaction.

# Organizational Chart

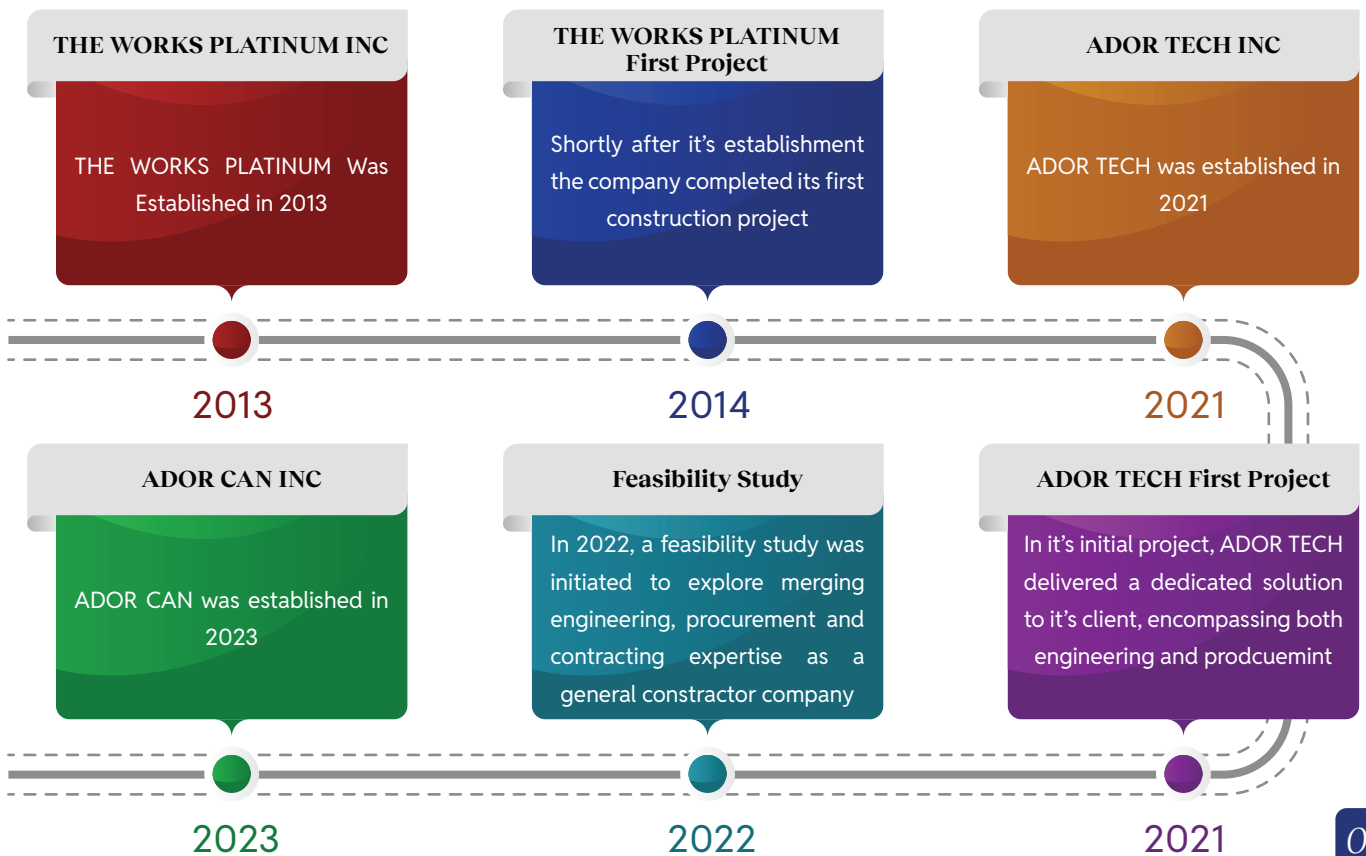

## Owners

**ADOR CAN** was formed through the strategic collaboration of The Works Platinum and **ADOR TECH**. This union combines The Works Platinum's residential, commercial, and retail construction expertise with **ADOR TECH's** specialized engineering knowledge. By uniting these areas of expertise, **ADOR CAN** promotes a client-centric approach dedicated to quality, reliability, and exceptional service across various construction sectors.

## Road Map

## **THE WORKS PLATINUM INC**

The Works Platinum has extensive experience in the Residential, Commercial, and Retail sectors for over 11 years, and is committed to exceeding client expectations in construction and renovation projects. Their ability to consistently finish projects on time and within budget reflects their skill in handling the complex aspects of modern construction. Partnering with The Works Platinum provides exceptional expertise for our residential, commercial, and retail projects
